Grand Knight's Message:

Brother Knights, I would first like to extend my sincere appreciation to the membership for the vote of confidence you have given by electing me to this office. The responsibilities of serving as Grand Knight are numerous and at times very strenuous. But one man does not accomplish the great works of this Order alone. You have also entrusted the conduct of our charitable endeavors to a worthy group of men who will serve as my Officers for this upcoming fraternal year. They, and I, with the dedication, assistance and generosity of our Membership as a whole, will make this a year to remember and set an example for those who follow. We look forward to revitalizing this Council and to providing it's membership with more an new charitable, social, church and fraternal activities designed for the membership and their families alike.

Our year started off tremendously by welcoming 15 new members into the First Degree in July. By the time this newsletter reaches you, I trust that each will have also attended the Second Degree Ceremony in early August, to be followed by a Third Degree initiation at our Council in the very near future. Please give them your support and seek out others who may wish yo join our ranks. for they will become the future of this Organization. Special thanks for the efforts of Chip O'Connell and Bill Schmicking, our co-membership directors, on a job well done in recruiting this first wave of new brother Knights.

I ask you to please attend our regular council meetings and to get involved where you can to make this a stellar year for all. These quarterly newsletters are great source of finding out what is happening, but you can also visit www.kofc371.org to get more current and up to date information. We have a variety of events already planned, your participation will make them all a success. If you have other ideas of what can be run, my office is open for suggestions.

Thank you again for choosing me to be your leader for this fraternal year. I will dedicate myself to the task an ensure that each of you are proud to be counted as a member of this Council. My best wishes to you and your families, I hope to meet many of you personally throughout the year.

Vivat Jesus,

Michael Lipari Grand Knight
